Red Radio Links Dulles Kin to Riots

THE SOVIET - CONTROLLED East German radio charged Wednesday night that Allen Dulles, head of the Central Intelligence Agency, gave direct orders that set off the strike riots against Communist rule last week.

The Communists said that Dulles, brother of Secretary of State John Foster Dulles, had been in Berlin for a week. But a high United States official said that Dulles "hasn't been within 3,000 miles of Berlin for many months."

Answers McCarthy

PANAMA President Jose Antonio Remon denied at Panama City the charges by United States Sen. Joseph McCarthy, Wisconsin Republican, that Panamanian ships are trafficking with Communist ports in the Far East. The president said his statement was based on a report from the Panamanian consulate in Hong Kong.

New Regime Seen

A NEW East German government "less dependent on the Soviet Union" may be formed following last week's bloody rebellion against the Communist regime, in the opinion of James B. Conant, United States high commissioner for Germany. Conant added, however, in a statement at Dusseldorf, that he does not think "political conditions comparable to those

in West Germany" will be established in the Soviet zone in the foreseeable future.
